In the event the third entrant cannot be reached, prize will not be awarded;

b) Accept the Prizes as described in these rules. Prizes cannot be transferred to another individual, substituted for another prize or exchanged in whole or in part for money or any other consideration;

Prior to receiving the prize, the winner will be required to provide valid photo ID and to sign a declaration of eligibility and release form releasing the Organizer and its related parties from any and all liability in connection with the Contest and/or the prize, confirming compliance with the Contest rules and consenting to the use of his or her name and photograph, without further compensation, in any publicity carried out by the Organizer and/or its advertising and promotional agencies. The signed form must be received by Organizer within five days of notification or the prize may be forfeited and awarded to an alternate entrant.

Failure to comply with one of the conditions mentioned in these Contest Rules or to accept a prize will cause the selected entrant to be disqualified. In such a case, the Organizer may, at its sole discretion, cancel the prize or, if time permits, proceed to another draw until an entrant is selected and declared a winner for that prize.

13. PRIZES

Within five (5) days following the receipt of the duly completed and signed Declaration Form, the Organizer will contact the prize winners to make the necessary arrangements.

GENERAL CONDITIONS

14. Verification. Entries and Declaration Forms are subject to verification by the Organizer. Any such document which is, as the case may be, incomplete, illegible, mutilated, fraudulent, received or submitted late or otherwise noncompliant shall be rejected and will not entitle the entrant to an entry or to a prize, as the case may be.

15. Personal information. By participating in this contest, the entrant consents to the collection, use and distribution of their personal information by the Organizer for the reasons of application, administration and execution of the contest. The organizer will not sell or transmit this information to a third party except for reasons pertaining to the administration of this contest.

16. Online entry. By submitting an entry online, all entrants acknowledge and consent that the personal information they have provided will be kept on the server of the organizer and/or the server of those responsible for the maintenance of the Web site and/or the administrator of the contest. If entrants have indicated that they wish to receive communications or other offers at a later date, the organizer can then use this personal information to contact entrants at a later date to provide them with information about products or services. Entrants agree to have their personal information saved on the Organizer's server and/or the server of the company that maintains the site and/or the contest administrator's site.

17. Entrant identity. In the event of conflict regarding the identity of an online entrant, the entry form will be considered to belong to the holder of the email account. Online entry forms will be deemed to have been submitted by the authorized account holder of the email address submitted

on the entry form. “Authorized account holder” is defined as the natural person who is assigned an email address by an Internet access provider, online service provider or other organization (business, educational institution, etc.) responsible for assigning email addresses for the domain associated with the submitted email address.

Should there be any such attempts, the Organizer reserve the right to reject the entrant’s entries and obtain legal or equitable relief under applicable laws. The Organizer reserves the right to disqualify an entrant or disqualify them from eligibility for a prize, if, at its sole discretion, it judges that the said entrant tries to interfere with the proper running of the contest by cheating, pirating, counterfeiting, falsification or any other dishonest practice (including using automated entry software,) or by an attempts to intimidate, abuse, threaten or harass any entrants, the Organizer or its representatives. The Organizer reserves the right to disqualify any entrant contravening these rules. Any deliberate attempt aimed at damaging a website or the proper running of this contest constitutes a violation of penal and civil rights, and, in this event, the Organizer reserves the right to undertake legal action in order to obtain reparation, to the full extent provided for by the law, including judicial proceedings.

20. Acceptance of prize. The Organizer give no guarantee regarding the safety, the appearance or the performance of a prize, or any activity relating to the prize. 21. Substitution of prize. In the event where it would be impossible, difficult and/or more costly for the Organizer to award a prize (or a portion thereof) as described in these Contest Rules, it reserves the right to award a prize (or portion thereof) of the same kind and of equivalent value or, at its sole discretion, the cash value of a prize (or portion thereof) as indicated in the Contest Rules.

26. Liability limit: exceptional circumstances. The Organizer shall not assume any responsibility whatsoever in the event that they are unable to act due to situations or circumstances beyond their control, or due to a strike, lockout or any other labour dispute occurring in the places of business of the organizations or companies whose services are retained to hold this Contest.

27. Operational situations. The Organizer shall not assume any responsibility for any problem including, but not limited to, a technical failure of the phone lines or networks, online computer systems, servers or suppliers, computer equipment, software, or any other problem resulting directly or indirectly from a virus, bug or failure in data transmission.

28. Contest modification. The Organizer reserves the right, at its sole discretion, to cancel, terminate, modify or suspend this Contest in whole or in part, should human intervention or an event take place that could alter or affect the administration, security, impartiality or conduct of the Contest as provided in these Contest Rules.

29. Termination of participation in the Contest. In the event that the computer system cannot register all Contest entries during the Contest Period for whatever reason, or if participation in the Contest must be terminated in whole or in part before the closing date provided in these Contest Rules, the Organizer may, at its sole discretion, proceed with a draw among the entries duly registered during the Contest Period or, as the case may be, up to the date of the event ending participation in the Contest. The Organizer reserves the right to cancel or suspend the contest in the case where contest administration might be hindered by a computer virus or other technical defect.
